**RESOLVED:** To approve the minutes as a true record.

**2875. To determine which items, if any of the Agenda should be taken with the public excluded - None**

Cllr. M Taaffe-Finn arrived at this point (7.11pm)

### 2876. Chairman's Announcements

- **Clearway Parking Restriction Notices**

A resident has expressed concerns about clearway parking restriction notices that have been put up by Derbyshire County Council to accommodate the cycling event on 10 June 2017. There has been no prior warning of the restrictions and this is likely to inconvenience residents.

**RESOLVED:** Clerk to write to Derbyshire County Council and express concern about the lack of prior notice and consultation.

- **Mobile Police Surgery**

The Chairman explained that he had visited the Mobile Police Surgery on Tuesday. As well as the PCSO, the Police and Crime Commissioner was present. Apparently, there has been no report of any issues over the last few months and there have been more frequent Police patrols. Cllr Hannath confirmed that he was told the same. However, a resident said there had actually been two shed break-ins recently and these had been reported to the Police.

**RESOLVED:** Clerk to contact PCSO Bennett and inform her of the break-ins.

- **Tree maintenance at Holloway Cemetery**

The Parish Warden has highlighted that there are two Holly Trees in very poor condition in the cemetery. There is also a Cherry Tree that has a branch overhanging the Smedley memorial which needs to be removed. The Clerk has obtained quotations for the work from Peter Robinson which were £200 for the removal of the Holly Trees and £50 for the removal of the Cherry Tree branch.

**RESOLVED:** To proceed with the quotation from Peter Robinson to remove both Holly Trees (£200) and the branch on the Cherry Tree overhanging the Smedley Memorial (£50).

- **Jug and Glass Planning Application**

This planning application is to be decided by the Planning Board and the officer recommendation is to turn down the application. This is on the basis of harm to a listed building not being outweighed by the benefit to the community of having the only public house retained out of 3 villages. The Parish Council supported the application at the time of consultation and the Chairman explained that he is proposing to attend the Planning Board meeting and speak in support of the application. All Councillors were in support of this.

- **Restoration of three cottages at Smedley's mill.**

The Chairman confirmed that the restoration of the cottages has commenced.

**2877. Consider whether to apply, or not to apply to Amber Valley Borough Council for an 'Article 4' direction**

**RESOLVED:** Not to apply to Amber Valley Borough Council for an 'Article 4' direction.  
Vote: 6 for / 0 against / 3 abstentions.

**2878. Rights of Way Minor Maintenance Agreement - 2017/18**

**RESOLVED:** To proceed with the Rights of Way Minor Maintenance Agreement - 2017/18

**2879. Update on Memorial Gardens HLF project – Cllr J Ward**

Cllr J Ward gave an update. Work is progressing. A display is planned at the carnival, which will include historic information. Metal supports for the handrail have been installed and the handrail itself will be installed tomorrow. The final design for the sign and the revised quotation has been circulated.

**RESOLVED:** To proceed with the final design and quotation for the sign at a cost of £280.35 including installation.

**2880. Update on Neighbourhood Development Plan**

Cllr Hooker gave an update. A managing consultant, Helen Metcalf has been appointed to write the plan. The questionnaires are at the printers and distribution to each household is planned for mid-June. There will be a stand at the carnival where residents will also be able to complete questionnaires. A further grant of £3,930.00 has been received.

**2881. Replacement of Cherry Tree, Church Street (at junction with Hillside) – Cllr Stevenson**

**RESOLVED:** Not to proceed with the replacement of the tree at the present time.

**2882. Update on Holme Close – Cllr Stevenson**

Cllr Stevenson explained that she had asked for this item to be put on the agenda so it didn't get forgotten as she feels it is an ongoing problem. There was a concern regarding fire safety as Derbyshire Fire Service said there was no one to take charge in the event of a fire. Futures had been contacted to establish what was stated in their risk assessment, but no response has been received as yet. A discussion about crime followed. The Chairman highlighted that complaints can be raised through the Futures website and there was a reminder that it had previously been agreed that Holme Close would only appear on the agenda when there was something new to report.

**2883. Consider quotations for pointing cemetery wall where required**

**RESOLVED:** To proceed with the quotation from Derek Meakin at a cost of £280.00.

**2884. Outstanding items from Tree Survey - July 2016**

**RESOLVED:** (1) To instruct Thompson Tree Services to carry out the medium priority tree work at the Memorial Grounds (T4, T6, T12, T13, T14 and G15) at a cost of £640.00 plus VAT. (2) To ask Thompson Tree Services to inspect T8 at Holt Lane Recreation Ground and T5 at Holloway Cemetery and provide a quotation for any work required.

**2885. Shed at Common End**

**RESOLVED:** Clerk to draw the matter to the attention of Amber Valley Borough Council development control.
