

## Derwent Valley Line Services Summary

### **Sunday 22nd July to Sunday 29th July**

East Midlands Trains services run as normal.

However, there will be some changes to other services at Derby Station. If you usually change trains at Derby, please select Derby for more information about how these changes could impact on your journey.

### **Monday 30th July to Friday 24th August**

East Midlands Trains services will run between Matlock and Derby, calling at all stations.

However, there are no trains between Derby and Nottingham in either direction. A replacement bus and coach service will be provided.

### **Saturday 25th August to Sunday 7th October**

No train services between Matlock and Derby. An enhanced replacement bus and coach service will be provided. Further details on this service will be provided as soon as possible.

Peak Rail and Ecclesbourne Valley Railway will continue to operate as normal.
