

Coronavirus local support

DLHR Community Support Group — Dethick, Lea, Holloway & Riber

The community we are all a part of is fortunately a strong one. There are a large number of willing volunteers (from the village) who are happy to help anyone who is affected by the COVID-19 virus (Coronavirus).

We urge anyone who is self-isolating or in need of any help — due to measures put in place to try and stall the spread of the virus — to contact the DLHR group.

WE CAN HELP WITH THE FOLLOWING:

- ★ Shopping
- ★ Prescription collection
- ★ Technology (television/radio/computer issues)
- ★ Help with pets
- ★ Mobile phone top up
- ★ Fuel deliveries (coal/logs)
- ★ Bill payments/Post Office services

(This is not an exhaustive list. We will try our best to help anyone who needs it, with whatever they need)

WE HAVE BEEN IN CONTACT WITH BUSINESSES FROM THE VILLAGE WHO HAVE PLEDGED TO HELP IN ANY WAY THEY CAN.

Robin Maycock Butchers supply a variety of ready meals and cakes alongside their meat products. They have offered to deliver any orders to you. A list of their products is attached.

FUEL Coffee House are open all week (except Wednesday) and can make any of their products available to take away.

The Post Office has a well-stocked shop where we can arrange to collect/deliver items for you.

Absolute Catering (a local company), can also supply and deliver ready-prepared meals to the village. (Menu attached)

WHAT YOU NEED TO DO

Please call one of our coordinators if you are self-isolating. This enables us to know who we need to help. Please let us know what you need or how we can help you. The coordinators will then pass your need to one of our volunteers who will be in touch to help you. This will be an ongoing support whilst the virus is still spreading.

Coordinators

Lena Gurr **07971 165227**
