

**PART 2 --- What (if any) steps do you take to encourage Biodiversity and Rewilding.**

**1= not interested, 2 = considering, 3= already actioning**

2.01	- Planting hedgerows	
2.02	- Composting your garden waste	
2.03	- Log piles (for fungus, hedgehogs etc.)	
2.04	- Planting bee and butterfly friendly species in gardens	
2.05	- Bird feeders	
2.06	- Litter picking	
2.07	- Subscribing/donating to wildlife/conservation organisations (e.g. RSPCA, Woodland Trust)	
2.08	- Raising awareness of the issue	

**Other - please describe below what you are doing / considering doing in the near future.**

**PART 3 ----- How do you think our Action Group can help to resolve these issues?**

**1= Poor Idea, 2 = Neutral 3 = Could help, 4= Important Action 5 = Top Priority Action**

3.01	Buildings - advice on insulation and reducing energy use in houses	
3.02	- advice on renewable alternatives to oil and gas for heating - green energy options	
3.03	- examination of the potential of photovoltaic panels to generate electricity	
3.04	Waste - encourage the repair, re-use and recycle of equipment, clothes etc	
3.05	- provide information on alternatives to single use plastics	
3.06	- reduce food waste	
3.07	- arrange community litter picking and local composting facilities for food and dog waste	
3.08	Transport - explore community transport options (buses, trains, taxis etc)	
3.09	- improve safe cycling and walking opportunities	
3.10	- investigate electric vehicles and other ways of reducing fossil fuel consumption	
3.11	The Local Environment - re-wilding projects in gardens, community land areas etc	
3.12	- working with councils to reduce the use of pesticides and maintain verges etc for wildlife	
3.13	- Community educational meetings/sessions concerning biodiversity, the environment etc.	
3.14	- Community biodiversity surveys (community walks for tree, fungus, bird spotting etc)	
3.15	Land Use - investigate local soil management practices and opportunities for hedge and tree planting	
3.16	- identify areas of land for development as Community Gardens/Allotments	
3.17	- consider the alternatives of vegan and vegetarian diets	

**Is there anything else you would like to see happen in our village that would help to improve the environment?**
